Hi Chris H – I hope your trip is going well. I saw that you told Chris L that you got a chance to review this on the plane. When will you be able to upload your comments? I d like the benefit of them before I review if possible.

Jim C Will you have further comments?

Depending on when comments will be available I may ask if we can have until Monday to complete our comments on this.

Jim

**Subject:** Deschutes draft decision document revision

Hello

Thank you helping with the review of the draft Deschutes TMDL decision document. Your thoughts and comments were very helpful and I appreciate all of your time and effort with this! I have worked through the comments and made edits to reflect your feedback. I m sharing the document back out with you so you can check that I sufficiently addressed your concerns and to make sure there are not any more outstanding high-level concerns with the document. After this point we will start the management review and concurrence process for issuing our TMDL action.

To simplify this review I only kept track changes where there were significant *content* changes (I tried not to keep reorganizational and editorial changes). I also greyed out and/or deleted comments that have been addressed or don t need further attention. I kept comments active where I think it would be a good idea for you to double check that I sufficiently addressed your concerns. I m asking that you have this review done by next Friday 6/8. Here is the link to the document
